

Economic & Political WEEKLY

ISSN (Online) - 2349-8846

Our primary objective is to provide a platform for scholars and practitioners to discuss the latest developments in the field of economic and political studies. We aim to foster a vibrant intellectual community that promotes critical thinking and the exchange of ideas. Our journal is committed to high standards of academic excellence and to the advancement of knowledge in its respective fields.

The journal covers a wide range of topics, including macroeconomics, microeconomics, political theory, and public policy. We welcome submissions from researchers and students alike. The journal is published quarterly, with each issue containing a mix of original research articles, review articles, and book reviews. The journal is available online, providing easy access to our content for a global audience. The journal is indexed in several major academic databases, ensuring its visibility and reach. The journal is published by the Economic and Political Studies Association, a leading organization in the field. The journal is a must-read for anyone interested in the latest research and developments in economic and political studies.

The journal is a leading platform for the dissemination of research in the field of economic and political studies.
